# Preventative Measures Work

MAKE A DIFFERENCE DURING THE COVID-19 PANDEMIC

**Wear a Mask and Avoid Crowds**

**Save PPE for Those on the Front Lines**

The general public *should* wear cloth face coverings

**Donate Blood and Plasma**

**Report Fraudulent COVID-19 Tests, Vaccines and Treatments**

# Trust in Science and Vaccines

Likely to get a COVID-19 Vaccine

# Outreach and Opportunities

In New Orleans, fliers were distributed this month by a worker with Resilience Force, a nonprofit that trains and puts to work people in the areas of disaster recovery and rebuilding with focus on Black and minority communities.
